Re: Metro Demolition Contracting Corp.  
Phantom Demolition Corp.,  
Circle Interior Demolition Inc.,  
World Class Demolition Corp., Alter Egos  
Cases 29-CA-27317 et al

**ORDER**

Respondent's Request to File Its Opposition to General Counsel's Motion  
for Summary Judgment after the Prescribed Period is granted.

Notwithstanding its ruling, the Board observes that Respondent's counsel  
has repeatedly failed to serve the Charging Party and its counsel with filings,  
including after having been instructed to do so by the Office of the Executive  
Secretary. We direct the attention of Respondent's counsel to Section 102.114  
of the Board's Rules and Regulations, and we expect Respondent's counsel to  
conform to these and other requirements strictly in the future.

By direction of the Board:

  
Margaret H. Rafferty  
Associate Executive Secretary
